

Staff Crestview Chronicle

November 2021

A Message from Ms. Nagel,
Principal

November brings in the traditional holiday of Thanksgiving, which helps to remind me of all the things to be grateful for: working at Crestview Elementary with great teachers and support staff, helping students succeed in academics and social skills, getting to know the parents and guardians of our students, and connecting with the community of Vandenberg. I continue to feel so blessed and honored to be leading such a great school as Crestview Elementary!

Crestview Library

I have enjoyed reading to your classes and checking out books for them! Thank you for being patient with me as I learn all about the library!

PTA

Fall Fundraiser
Penny Wars
Nov. 1st - 10th.

Office Reminders:

-Please turn in your Federal Survey Cards if you have not done so already. If you still have some that have not been returned, please keep trying to get it. We have extras in the office if you need to send another one home.

-Post attendance **by 9:00 am** at the latest. Automated attendance calls go out at 9:30 am. Kari runs a master absence report at 10:00 am and starts making attendance calls.

-Let Kari know if you have any students leaving that are not on the exit list.

Notes from the Nurse

Please send a note when you send students to the health room. Remember to use your first aid kits to take care of the minor injuries in the classroom and on the playground.

Mrs. McClung 2nd Grade

Hi, my name is Beth McClung. I was born at Ellsworth Air Force Base, SD and grew up in an Air Force family. We moved to Orcutt, California when I was in the 3rd grade and we never left. I graduated from Cal Poly, San Luis Obispo in 1995.

I live in Orcutt with my husband Greg, and 3 daughters; twins, Ashley and Rochelle 21, Lauren 17, and our two dogs, Sophie and Sadie. My twins are currently in their senior year at Cal Poly San Luis and my youngest is a senior at Orcutt Academy High School.

This is my 23rd year of teaching and my 18th year here at Crestview Elementary. I love being part of such a wonderful school community.

My favorite thing to do is relax with my family and enjoy the many things to do here on the Central Coast.

Krista's Corner

Please let me know if you'd like to connect with me! I have had several teachers reach out to discuss students and create a plan for student achievement in reading. Stop by my room or email me if you are interested in strengthening and stretching students' reading skills.

Ms. Shipley 2nd Grade

Hello! My name is Dannette Shipley. I just moved here, and I am brand new to Crestview this year.

I have been lucky to be a teacher since 1996 in the Palm Springs area, and I have taught Kinder and 1st grade for many years, along with 2nd & 4th grades. Being a teacher makes me very happy!

My 22-year-old daughter (who is working towards a Mathematics degree) and my little white dog Miss Pumpkin Pie moved here with me. We love to cook, run, go to the beach, hike, and dance around the kitchen! My youngest son plays football for the Oregon Ducks (#90 Jake Shipley) and we are big football fans. My oldest son is a Physician's Assistant in Florida. My favorite thing is to be outside, and I love to workout, read, make things beautiful, and be with friends.

Thank you for welcoming me to the wonderful Central Coast!

Mrs. Dayley 2nd Grade

My name is Kaitlin Campbell, newly known as Kaitlin Dayley. I got married about a month ago and it was the best day of my life. We also just bought a house in Orcutt and we are getting all moved in and settled this week. Exciting times! I was born and raised in Orcutt California, and have been a hometown girl ever since. I went to Channel Islands University for my undergrad, graduating with my Bachelors Degree, and graduated from Alliant International University with my Masters and Credential. While in college, I played competitive soccer. It was a blast. I received "All State, First Team" in High School soccer and in college. Not bad for someone who sucks at exercising ;) I also enjoy surfing and playing the ukulele when I have the time. Both of my parents were teachers, and for as long as I can remember, I've wanted to follow in their footsteps. I feel so lucky for the opportunity to teach at such an amazing school like Crestview for my first year of teaching. Thanks for letting me be a part of such a special community. I'm so grateful!
