## A Message from Ms. Nagel, Principal

\*\*\*\*\*

It was so good to see all of the students during our Halloween Car Parade. All of us here at Crestview want you to know that we miss the students smiling faces and eagerness to be in school learning. School is just not the same without students on campus.

As we head into November, we can enter with a grateful heart that we are all here at Vandenberg, alive and well, and able to teach and learn from one another. Starting next week, you will be able to pick up a Thanksgiving poster to write something that you are thankful for and post outside your residence or place of business. I am thankful for all of our teachers for their hard work and dedication to the students. I am thankful for all of our parents, who have been so supportive and understanding with helping in the teaching and learning of your students. I am thankful for our students who have tried so hard to focus during Zoom lessons, and be engaged in their learning.

Have a wonderful November month and Thanksgiving with your families!
