## A Message from Ms. Nagel, Principal

\*\*\*\*\*

It has been so wonderful to have the students back on campus! It feels like “real school” again. The students have been so cooperative with all the new regulations to having in-person learning and it is a joy to have them so eager to be here and be learning. I appreciate all the hard work the teachers and staff have put into making their classrooms COVID compliant and safe for students, as well as, getting the students to connect with one another in spite of social distancing. It is my desire that you all have a wonderful spring break and get the rest and fun that everyone deserves.

## LUSD LCAP Survey

## Megaskill: Perseverance

Mrs. Drago

Hi Crestview families! My name is Delaney Dragomanovich (Drago for short 😊). This is my second year teaching here at Crestview. I taught kindergarten last year, and I am teaching TK this year!

I grew up in a small town called Tehachapi, and after high school I moved down to Orange County to attend California State University, Fullerton where I earned my Bachelor's degree in Child and Adolescent Studies and my Master's degree in Education.

In my free time I love to be outdoors reading, backpacking, and paddle boarding. The classroom is my happy place and I love to share the joy of learning with my students. I feel very lucky to be part of such an amazing team of educators here at Crestview!

## Mrs. Corri Koertge Mena

Hello Crestview Families!

My name is Corri Koertge Mena, and I was born and raised in Santa Maria, California. I went to San Jose State University to get my bachelors in Child Development, my masters in Education and my multiple subject teaching credential. I couldn't stay away from this area for long as I love the central coast and moved back as soon as I finished school. I recently married my high school sweet heart and bought a house in Orcutt so we can stay here long term!

This is my third year teaching at Crestview. I taught PE my first year and now this is my second year in kindergarten. I absolutely love the younger kiddos and feel really blessed to be teaching at such an awesome school with so many great families!

When I am not at work I love to play beach volleyball and take my fur kiddo, Mika, on hikes. Occasionally, I let my husband convince me to mountain bike, but to tell the truth I might enjoy watching Star Wars more. 😊

My husband and I are looking forward to starting a family of our own, and I look forward to a lifelong career here at Crestview! We are the best!
